R.O.C.3929-23-E1. South Kanara Collector's office
Mangalore, 29th July. 1923.

From

G. W. Wells, Esquire, M.A., I.C.S.,
Collector of South Kanara.

To

The Secretary to the Board,
Land Revenue & Settlement,
M a d r a s.

Sir,

Tasdik (South Kanara) Mangalore Taluk - Arkula Mogranthaya Bhuta - institution No.55 - readmission with arrears - recommended.

Being deducted.

The allowance of Rs.24/- payable annually under the B.D. system to institution No.55, Arkula Mogranthaya Bhuta was paid for the last time in fasli 1324 and it was withheld since then for want of a duly appointed moktessor. The institution is liable to be struck off the register under clause 7, para 1 to B.S.O.No.67 as the allowance had not been claimed for over six years after obtaining a proper sanad. One Ananthaya Shetti, having obtained a sanad in March 1923, put in a petition on 9th April 1923 before the Tahsildar of Mangalore, claiming the tasdik allowance, both arrears and current. Enquiries made through the Tahsildar of Mangalore show that the institution has been in good condition, that the services have been regularly performed during the period for which the allowance remains unpaid and that the delay in preferring the claim arose not from neglect on the part of the moktessor, as the Jain committee to which the institution is subject was incomplete for about 4 or 5 years after the last payment owing to a dispute regarding the membership of the committee. I, therefore, recommend that the institution may be readmitted with arrears of payment from fasli 1325 subject to the deductions mentioned in the note to

B.S.O.No.67-2.

Your obedient servant,

Collector. 31-7-23

ESOLUTION. (Alls) No. 1791, dated 13.8.23. 192

Note:
The failure to claim the all^ce is reported to be due not to neglect. It is also reported that the institution is in good condition & that the services have been regularly performed. The all^ce may therefore be re-admitted — B.S.O. No. 67, para 1 (7)

Payment of arrears is now sanctioned only for six years — please see precedent in B.O. 2323 Fin. 24-11-22

The allowance for fasli 1331, having been claimed before 1-7-23, it must now be considered to be a current payment. The arrears for the previous six faslis (i.e. from 1325 to 1330) may therefore be admitted as recommended by the Coll^r.

The Collector's recommendation is accepted.
